MESSAGE FROM KEY LEADERS

This is the age of knowledge. And anyone who says "I do not know" at this age, will risk being labelled "outdated".

We at Amity Online Family have pledged to ensure no one faces that dilemma. That's why you will find Amity University Online going to the depths, the widths, the lengths to ensure we serve as many humans as possible.

Choices decide the fruits of your life. Taking up online programs with AUO is a wise decision to widen your opportunities to succeed.

Dr. Priya Mary Mathew
Director, Academics

In the age of Industry 4.0, employability is a factor of attitude along with the knowledge and skills of learners.

Courses that are created with Industry participation to enhance in-demand skills in students is going to be a gamechanger for the entire Higher education landscape in India. It will also give wings to students to achieve their dream careers.

Krishnan CA
Business Unit Head, Higher Education, TCS iON

Amity University Online provides 'Anytime, Anywhere' education experience, intensive corporate interaction, industry-oriented teaching delivered by eminent corporate experts and world-class faculty.

Designed to suit both graduate students and working professionals, our programs adhere to UGC's stringent criteria and we are at par with the campus programs.

Prof. Abhinash Kumar
Director

ABOUT AMITY UNIVERSITY ONLINE

Amity University Online is devoted to creating a transformative learning environment, a digital classroom with true mobility and access to education from anywhere; inheriting Amity's vision of building the nation through education. Amity University Online is India's first university entitled by UGC to offer Master's, Bachelor's, Post Graduate Certificates and Certificate programs. These career-oriented programs are specially designed for working professionals offering futuristic learning experiences on our awarded LMS, along with face-to-face interactions, live sessions, webinars, video lectures & one-to-one session with faculty, designed and delivered by over 6000 eminent corporate experts and faculty.

ABOUT TCS iON

TCS iON, a strategic business unit of Tata Consultancy Services, is focused on enabling productive outcomes for educational institutions, government departments, organizations from multiple industry sectors and individual learners with the use of 'Phygital' platforms. These are the platforms that overlay digital technologies over physical assets. TCS iON delivers this with a unique IT-as-a-Service model that provides easy-to-use, secured, integrated, and hosted solutions in a build-as-you-grow and pay-as-you-use business model. TCS iON serves its clients with the help of best practices gained through TCS' global experience, domestic market reach, skills and delivery capabilities.

Enter your dream company with TCS NQT

NQT is endorsed by 650+ top IT and non IT corporates in India including TCS. Successful learners from the above tests would be given access to jobs from pan-India corporates through TCS iON Job Portal. All eligible learners would be appearing in TCS iON National Qualifier Test (NQT) – Cognitive & Subject tests.

Learners are requested to note that NQT will be applicable for the students of MCA in semester 3.

Some of the companies part of 650+ corporates

ABOUT THE PROGRAM

MCA (AR & VR)

This specialisation track covers in-depth knowledge on Immersive Experience thereby enabling students to learn and specialise in domains including augmented reality, virtual reality with knowledge of Machine Learning and conversational experiences. This unique blend of immersive learning experience in this track grooms a learner with the next generation skills & knowledge required for immersive conversational experience which takes a leap forward.

TESTIMONIAL

“ Choosing Amity over any other university was a great decision for me because this course has accelerated my career growth to the next level. The course trained me with the concepts of algorithm and its real world applications. ”

Tarushi Singh

COURSE CURRICULUM

Semester I

Graph Theory and Combinatorics	Core Courses
Advanced Database Management Systems	Core Courses
